Post Office Agents Association Limited

November 2009

CONTRACTORS CARDED ARTICLE SURVEY

POAAL is seeking input from Contractors who card articles to post offices in metropolitan and suburban areas. Parcel and carded article volumes have grown this decade. POAAL is seeking detailed Contractor feedback on carded articles. Please print this survey, complete it and fax it back to POAAL on 03 96544577 or post to the POAAL National Office.

If there is insufficient space for your response, please attach a separate piece of paper with your response, noting clearly the question number.

General information	
1	State
2	Type of Contract (eg parcels, street, RSD)
3	Type of vehicle (eg van, 4WD, CT110)
4	Number of subbies or employees
Parcels	
5	How many parcels do you card each week?
6	How many other items do you card each week?
6	What effect has SafeDrop had on carding parcels?
7	Do the LPOs where you card items have storage issues?
Access	
8	Do you have issues with parking and unloading at the post offices where you drop off carded items?
Overweight and oversize parcels	
9	Do you ever carry parcels weighing over 32kg?
10	Do you ever carry parcels that because of their size or weight could lead to a breach of your OH&S plan?
11	Have you ever been injured while handling an overweight or oversize parcel?
12	Do you have any other comments? (Attach a separate piece of paper.)

Thank you for taking the time to complete this survey. Please fax your response (along with any attachments) to the POAAL National Office on (03) 96544577.

Alternatively, post your response to:

POAAL National Office
PO Box 190
