The Hon Julia Gillard MP  
Prime Minister  
Parliament House  
CANBERRA ACT 2600

Dear Prime Minister,

I/We operate the Licensed Post Office at [LOCATION]. Our post office lacks Australia Post's electronic point-of-sale system. This means that our community isn't able to access all of Australia Post's services.

Installing Australia Post's retail technology at our post office would be great for the people and businesses of our community.

The Post Office Agents Association Limited (POAAL), the association for post office owners like me/us, has written to you seeking your party's commitment to giving all Australians equal access to the Australia Post network. We support POAAL's campaign, and we too seek your support.

Yours faithfully,

[YOUR NAME]  
[YOUR LICENSED POST OFFICE]
